Korado Decorative Panel

Smooth linear lined steel Korado decorative panel is the perfect add-on for contemporary looks or radiator design upgrades. Instead of replacing the entire radiator, this decorative front panel offers a smart, budget-friendly way to refresh old units with minimal disruption. Ideal for both residential and commercial spaces, it delivers a clean finish, improved output, and quick installation.

- Improved aesthetic appeal
- Ease of installation on-site in just five minutes
- Height 300, 400, 600, and 900, Length 400 to 2300mm
- Budget friendly refresh to existing radiators with minimal disruption
